

HOW TO USE A VIRTUAL COURT KIOSK

Navigate between 2 kiosk views in the lower left corner

Kiosk website
Info, services or join
virtual meetings

Kiosk desktop
End a session, change settings
or view scanned documents

Join a Virtual Meeting / Zoom Session

1. Pop up the kiosk's webcam by pressing on the top center of the screen
2. Start on the kiosk website
3. Click the start here button
4. Click Join a Video Meeting and choose the type of video meeting
5. Enter your meeting details

Change the Volume

1. Click the kiosk desktop button
2. Click the volume control button
3. Move the slider on the right to change the volume

Stay Logged On

1. If you don't type or use the mouse for 20 minutes, the kiosk will display a popup
2. Click cancel to continue using the kiosk

End Your Session

4. Do not turn the kiosk off with the power button
5. Click the kiosk desktop button
6. Click the end session button
7. After your session is ended, your activity will be cleared to protect your privacy
